For 60 years St. Mary School has been committed, not only to the education of students throughout Brevard County, but also to serving our community in need and creating a more loving world because of the love we foster in our students. We are a National Blue Ribbon of Excellence Award recipient and have been involved in charitable organizations such as Helping Hands, the Cougar Care Fund- benefiting locals in need of necessities, Wounded Warrior and the Juvenile Diabetes Research Foundation. We also work in conjunction with the local church and diocese to give relief to those in Dominican Republic.
