*For over 60 years St. Mary School has been committed, not only to the education of students throughout Brevard County, but also to serving their community in need and creating a more loving world because of the love they foster in their students. They are a National Blue Ribbon Award recipient and have been involved in charitable organizations such as Helping Hands, the Cougar Care Fund- benefiting locals in need of necessities, Wounded Warrior and the Juvenile Diabetes Research Foundation. This year the school has a special incentive to raise funds- to start replacing the 18 rooftop air conditioning units! They are over 20 years old. We need your help to keep our Cougar's Cool! Your contribution will help to continue the great works St. Mary School is striving to accomplish and to continue to allow St. Mary to grant scholarships to those students who cannot afford private education. Please consider us for your next contribution, it is truly felt. DUE August 26, 2022*
