For over 60 years St. Mary School has been committed, not only to the education of students throughout Brevard County, but also to serving their community in need and creating a more loving world because of the love they foster in their students. They are a National Blue Ribbon Award recipient and have been involved in charitable organizations such as Helping Hands, the Cougar Care Fund- benefiting locals in need of necessities, Wounded Warrior and the Juvenile Diabetes Research Foundation. Last year we replaced 8/18 air conditioning units, only 10 left to go! They are over 20 years old. We need your help to keep our Cougar's Cool! Your contribution will help to continue the great works St. Mary School is striving to accomplish and to continue to allow St. Mary to grant scholarships to those students who cannot afford private education. Please consider us for your next contribution, it is truly felt. DUE August 25, 2023

St. Mary School 16th Annual Fall Festival October 28, 2023

Dear Sponsor,

Thank you for your generous financial support of St. Mary School!! Financial sponsors like you are vital to the health of our small Catholic school! Our fifteenth annual **Fall Festival on October 28, 2023** is quickly approaching. As you know, this is an exciting community event that will have activities and events for children of all ages. This year's theme is "Plaid Pumpkin"! We will have the band My Remedy playing live the night of the event! The events will include a Haunted House, games, food made by the St. Mary Community, a trunk-or-treat, pumpkin painting, hay rides, a cake walk and many more interesting and fun activities!

For over 60 years students at St. Mary have been educated with a strong sense of community fostered in a peaceful, Christ-centered environment. St. Mary School teaches students to have high expectations and to be responsible, independent, enthusiastic learners who value and respect their community. We are truly educating leaders for the new century.

St. Mary School has received the National Blue Ribbon School of Excellence Award and is recognized as one of the top private schools in the nation. The school takes pride in academic excellence, mission outreach, outstanding test scores, science research, Spanish language, technology, art, literary and athletic achievements. The Fall Festival is one of our two sponsored fundraisers for the year and supports the St. Mary School's ability to fund scholarships for students who are unable to pay full tuition, **as no child is turned away due to an inability to pay**, pay our teacher's salaries and maintain the school grounds. Starting last year we added another incentive- we began to **replace our 20 year old air-conditioning units**. We will need to replace 18 over time, and they are \$12,000 each. Last year we were able to replace 6. This is a large undertaking, but we know we can begin to make changes with the help from our amazing sponsors!

Last year we were able to raise \$36,000 just from our new Annual Fund sponsorship campaign! We are going to continue this amazing campaign which offers our Sponsors the ability to make a one time cash donation through our **St. Mary Annual Fund**, providing advertising for every sponsored event at the church and school through the entire year (depending on the sponsorship tier). Please take a look at the brochure and call if you have any questions regarding this event or the new sponsorship opportunities.

- Consider **St. Mary Annual Fund** if you are interested in advertising for your company all year.
- Consider **St. Mary Annual Fund** if you sponsor several St. Mary events throughout the year.
- Yes, you can still sponsor the Fall Festival only.
- We now have the ability to PAY ONLINE!!! Follow the QR Code or visit <https://stmaryrockledge.org/st-mary-annual-fund> then- "CLICK HERE TO DONATE" Please notate your name, company, and sponsorship intention (St. Mary Annual Fund, Fall Festival Only, sponsorship tier).
- There is an opportunity to have an 8' polished sign on our new fenceline YEAR ROUND. Please inquire!

Please consider supporting our amazing school! The children, parents and staff of St. Mary School thank you in advance for your consideration. PLEASE reach out with any questions, any time!

Sincerely,
