A Message from Our President
Karen Aguilo Seara

I am writing my last "message from the president" for our CCW newsletter with lots of emotions. I have so many fond memories, many lessons learned, new friends I cherish, and a ton of gratitude to our priests and parish office for all their support. Of course, God has done it all, but many of you have helped with the CCW and I can't tell you how much I appreciate your time and effort to make many things over the last four years successful.

More importantly we have a new president and I can't wait to introduce you to her. She is just the perfect person for the job and I look forward to supporting her in the upcoming year. She is funny, fun, resourceful, and most importantly loves the Lord and the Church. She will be at our May 25th Sock Hop, so do your best to come, have a hot dog, a root beer float, and dance to some 50's/60's music along with our new CCW President for 2022/2023.

Many blessings and

*Our Lady of Good Counsel,

**A Message to Karen, our
Outgoing president.**

Karen, we thank you from the bottom of our hearts. We know that you do not want accolades but we cannot allow this moment to go by without thanking you for the many things you have brought to St. Mary by starting the CCW. We will not list your accomplishments...you would not want that. But we all know how you have increased the awareness of the dignity of women at St. Mary. We know that your ministries will continue. You are a force to be reckoned with. Satan hates you, but we love you. Thank you.
