The St Mary Parish Community has been rooted in the Rockledge area since 1881, with the first church being built in 1917 right on Barton Avenue after assembling 20 Catholic Families. The parish expanded rapidly throughout World War II, post-World War II and the NASA space exploration periods. It was during this period of growth that the school was built. In September of 1958 St. Mary Catholic School opened its doors and has endured and seen the space coast through its ups and downs. Throughout these years St. Mary Parish has formed ministries such as Council of Catholic Women, Knights of Columbus, Young Adults, Youth Group, our huge spanish community and more. Our ministries have helped our community in many ways. We have provided food, clothing, prescriptions and even rent/utilities to families in need. Financial support has been raised for local nonprofits like Pregnancy Resources and for villages as far away as Africa. Annually we post angel trees to ensure no child goes without during the Christmas Season. Our clergy give comfort to the sick and dying. We help to provide a safe space for those who need council, promote spiritual health and continue to foster the needs of St. Mary Catholic School while keeping Jesus at the forefront of our hearts and minds.

Funds raised by this event will foster the growth of St. Mary Catholic Church and School in order to continue the legacy of the church and school, securing its place in the Brevard Community for years to come! It is our sincere hope that you bolster this legacy. Please contact Julie Kellgren with any questions in regards to our Annual Fund as well- this sponsorship opportunity is for donations \$1000 or more!
